To Whom It May Concern

This is to certify that Mr. Deepak Acharya bearing citizenship identity card number 11303003082 was working under my supervision as a consultant for development of various projects. As a software developer he was responsible for developing and implementing the software applications as per the client's requirement. In addition he was also responsible for giving user trainings, performing unit testing, giving support once the software application was running and preparing user manuals.

He has a great ability to work in a team and influence other with his leadership qualities. I highly recommend Deepak Acharya for any position or endeavor that he may seek to pursue. I wish him every success in life.

Sincerely

Hari Prasad Kafley
