

TO WHOM IT MAY CONCERN

The child originates from a disadvantaged upbringing, born into a sizable family where the father's ongoing alcohol dependency hampers his ability to offer proper care. Consequently, establishing a suitable environment for studying within the home is impractical.

As the eldest sibling, I aim to ~~assome~~ assume responsibility for her well-being and education, thus I am seeking a transfer for her betterment.

~~This~~ This information is presented with sincerity and accuracy to the best of my knowledge.
